Venue: Winterhill School

New for 2018-19!

Learners First is delighted to be able to offer the opportunity to gain the accredited Higher Level Teaching Assistant (HLTA) Status in 2018-19, in partnership with Tykes TSA. The HLTA status is designed for colleagues currently working in a support staff role in a primary, secondary or special school setting and who aspire to gain a nationally and professionally recognised status.

This **briefing and information session** is a precursor to the programme and aims to provide potential participants (and their head teachers should they wish to also attend) with more information about the HLTA status, the programme of study, the entry requirements and the application process. All those wishing to attend the briefing should have the full support of their school and head teacher.

Cost: There is no cost to attend the briefing and information session. The HLTA Status will be fully funded for delegates from schools and academies subscribing to Learners First.
(For delegates from non-subscribing schools the cost is £495 per person).

To Book: To reserve a place at the briefing and information session please email your name, school and contact details to: teachingschool@learnersfirst.org
