Leadership know-how to help you run your school

The Key for School Leaders keeps more than 120,000 school leaders, in over half of the country's schools, up to date, compliant and equipped to make confident decisions.

Must-have knowledge for...

Your SLT

- > Clarity on the latest sector updates, and **actionable guidance** on what to do next
- > **School improvement tools**, including evaluation forms, example processes, timelines and action plans, to focus your short-term and long-term priorities
- > **Coming up:** resources to help accelerate catch-up learning, with guidance on strategy and effective spending of your funding, including examples and reporting templates

SBMs and admin staff

- > Quick, clear guidance on the **many varied aspects** of the SBM role - from HR and premises management, to pupil attendance and budget planning
- > Lawyer-approved, editable model policies to keep you compliant and **save you hours of work**

Middle leaders, teachers and SENCOs

- > Teaching templates to share with staff, line management tips and more
- > Subject-specific and cross-curricular tools on anti-racism, and gender and LGBTQ+ inclusivity, to **promote diversity across your curriculum**
- > **Coming up:** more resources to support high-quality teaching, pupil wellbeing and progress, and curriculum accessibility for pupils with SEND

What's included?

- > Lawyer-approved, editable model policies
- > Tailored information and new content, sent to your inbox weekly
- > Unlimited ask-a-question service
- > Unlimited licences, giving you and all of your teams access

NEW

Policy Expert, now part of The Key for School Leaders

- > Policy Expert is your go-to place to tell you which policies you must have, should have, and if anything has changed.
