

## Save time through our partnership with The Key

We know that schools are under pressure now more than ever, juggling financial restraints with statutory obligations, whilst striving for the best outcomes for their pupils.

Committed to alleviating these pressures, The Key has developed the ideal solution for schools like yours.

Increasing the confidence and capacity of school leaders and governors through the delivery of indispensable support, knowledge and tools, The Key helps to free up your time to focus on improving pupil outcomes.

In collaboration with **Learners First Schools Partnership** your school is eligible for access to all of The Key's services at a **discounted rate**.

### The Key for School Leaders

Thousands of online articles, templates and checklists on all aspects of school leadership including ongoing GDPR support

The Key's policy bank, featuring legally approved model policies for you to adapt for your own school, giving you peace of mind as well as more time to focus on your school improvement

Unlimited 'ask the expert' service and a weekly roundup of sector news, keeping all staff in the know.

[The Key app](#) - News, significant dates and everything you usually get from The Key, on your smartphone

## The Key for School Governors

### Do your governors have access to the information they need?

Members use The Key for School Governors to gain confidence and quickly get to grips with important issues, staying up to date and compliant with the latest policies and legislation.

The Key provide more than 4,000 boards with expert advice, practical resources, 1-minute briefings and governance know-how.

All members of the school's governing body (including clerks) can use The Key for School Governors. If you are already a member of The Key for School Governors, you can extend your membership to 31<sup>st</sup> March 2022.

## Safeguarding Training Centre

Save time delivering repeat INSET training sessions through the year with our 60-minute **Safeguarding Essentials** and **Preventing radicalisation eLearning courses**. You can [demo the eLearning here](#).

Part of the [whole school package](#), The Key's eLearning allows staff, volunteers and contractors to learn from their own mobile or computer at a time that suits them. It also serves as a perfect **top-up course** for those staff in need of a refresher.

Safeguarding Training Centre combines easily adaptable face-to-face training materials with tracked assessments, a knowledge resource bank, email updates on legislation change and eLearning.

## CPD Toolkit

The Key has worked with leading organisations and subject specialists to produce [CPD Toolkit](#), to help teachers develop their skills and ensure their fifth year in school is every bit as challenging and rewarding as their first. Their CPD Toolkit of ready-to-deliver training modules provides everything schools need to run high-impact and cost-effective in-house training for teachers, leaders and support staff. Each module is designed to be delivered *by staff to staff* to support deep learning that drives school improvement.

## Pricing
