

# OU/UKLA Teachers Reading Group

Primary Group

*Do you want to develop children's pleasure in reading?*

*Join us at one of our OU/UKLA reading groups to enrich your knowledge and practice!*

**Whiston Worrygoose English Hub** invites anyone committed to developing young people's desire, delight and engagement as readers to join our online Reading Group. These groups provide free evidence-based CPD for all teachers to enrich their understanding of reading for pleasure (RfP) and how to support it.

The aims of the sessions are:

- To foster children's reading for pleasure through supporting teachers' own RfP and research-informed practice
- To support the profession by building a professional community around RfP locally and online
- To share teachers' resultant development work on the OU RfP website

The five sessions are informal, friendly and supportive and will be used to help develop evidence-informed practice, widen our knowledge of high-quality literature and other texts written for children, enrich our RfP pedagogy and document the impact on the young people as readers.
