July 2023

The recruitment cycle will be opening again in October but this may look slightly different to previous years.

If you are interested in gaining more information into the next steps to start your journey into teaching please ensure you keep up to date with our website and twitter page.

The Get into Teaching website is also another good place to apply for an advisor from the DfE.

We have come to the end of a very busy academic year.

Our ITT's have all been fantastic and we wish them all the best on their journey into their ECT years hopefully seeing a few familiar faces for our ECT sessions in September.

Our interns have also been very successful at gaining an insight into the world of secondary teaching and we wish them the best with the rest of their studies and hopefully see them again in the future.
